RESTRICTIONS

To ensure your day runs smoothly and safely, there are some tasks that fall outside the scope of coordination. These include pack-down, cleaning or manual labour; styling or DIY setup; transport of guests or items; handling payments; childcare or pet supervision; food and beverage service; waiting on late deliveries; hire returns; personal errands; post-wedding tasks; responsibility for vendor performance; work outside the venue or in unsafe conditions; and staying after formalities, unless agreed in advance.

This ensures we focus on managing your wedding, not performing multiple roles.
